The Light leads us out, symbolizing that we are the Light of Christ to the world.

Valentine's Day is just around the corner. Whether you are married, engaged, dating or just spending time with another; there is an expectation of some sort of expression of Love. But scripture knows nothing of such a holiday. Instead, scripture calls us to make every day a holy-day to show love to others. What exactly does it look like to show love? Is it about the words we use? Yes! And also the attitudes! It is about our actions and the intention of our hearts. The thing called LOVE is a multi-faceted jewel!
